

2012 SASA Fall Parade Lineup and Instructions

Revised 07/27/2012

ALL Nobles in the parade and in staging areas must have SASA registration badges. Nobles without badges will be instructed to leave the area. Parade Marshals will have badges available for purchase. Any Noble with a fake or reproduced badge will disqualify his Shrine Center from any trophies or awards.

The Parade officially starts at 12th Avenue South and ends at 29th Avenue South. The Parade Map Page shows each Shrine Center's lineup location and end of parade staging area. To maintain the step-off schedule, it is important that there be no unit maneuvering before the official 12th Avenue South parade step-off point. Access to the Shrine Center line-up avenues will be from Kings Highway [Hwy. 17 Bus.]. The judging area will be at 18th Avenue South, and the reviewing stand will be at 26th Avenue South. The head of parade convertibles will line-up on South Ocean Boulevard between 12th & 13th Avenues South at 8:00 AM. These lead vehicles will exit the parade route and drop-off their passengers at the reviewing stand.

At the 29th Avenue end of the parade, street licensed vehicles can turn right and leave the parade area. **All non-street-licensed-vehicles** and units needing breakdown must continue on South Ocean Boulevard to the official staging/loading areas. All Nobles in the staging/loading area must have SASA registration badges.

Transportation will be provided from the staging/loading areas to the lineup area from 8:00AM until 30 minutes after the last unit has passed the 29th Avenue parade endpoint.

The Parade Planning Meeting will be at the Crown Reef Resort after the SASA Business Meeting at 4:00PM Thursday. All SASA Shrine Centers should have a Parade Director in attendance.

Step off times are estimated. All Shrine Centers should line-up a minimum of 30 minutes before their estimated time of step-off.

1	Hejaz	9:00AM	12 th Avenue South
2	Oleika	9:10AM	11 th Avenue South
3	Nemesis	9:20AM	10 th Avenue South
